To the Board of Directors
Campbell Financial Services, LLC

We have audited the accompanying financial statements of Campbell Financial Services, LLC (the Company), which comprise the statement of financial condition as of December 31, 2016, and the related statements of operations, changes in member's capital, and cash flows for the year then ended. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Campbell Financial Services, LLC as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information, including its form and content, is presented in conformity with Rules 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

CAMPBELL FINANCIAL SERVICES, LLC

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2016

Note 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. General Description of the Company

Campbell Financial Services, LLC (the Company), a wholly owned subsidiary of Campbell & Company LP (CCLP), is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA).

B. Method of Reporting

The Company's financial statements are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) Accounting Standards Codification (the Codification), is the single source of U.S. GAAP. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and such differences may be material to the financial statements.

C. Revenue Recognition

Marketing service fees are recognized when earned, based on the terms of the underlying agreement.

D. Income Taxes

The Company is considered a disregarded entity under the Internal Revenue Code. The Company's taxable income "flows-through" to CCLP and is subject to CCLP's U.S. federal and state taxation status. The preparation and filing of U.S. federal and state tax returns are performed by CCLP under a consolidated tax filing. Accordingly, the Company does not provide for income tax expense or income tax liability on its net income.

The Company applies the provisions of Codification Topic 740, *Income Taxes*, which prescribe the minimum recognition threshold a tax position must meet in connection with accounting for uncertainties in income tax positions taken or expected to be taken by an entity before being measured and recognized in the financial statements. This accounting standard requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's financial statements to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authority. Tax positions with respect to tax at the Company level not deemed to meet the "more-likely-than-not" threshold would be recorded as an expense in the current year. The Company has elected an accounting policy to classify interest and penalties, if any, as interest expense. The Company has concluded that there is no tax expense or interest expense related to uncertainties in income tax positions for the year ended December 31, 2016. The 2013 through 2016 tax years generally remain subject to examination by U.S. federal and most state tax authorities.

Note 2. RELATED PARTY TRANSACTIONS

The Company has entered into an agreement with CCLP to promote the sales of units of affiliated commodity pools to investors of such commodity pools, and to continuously service such units. As part of this agreement, the Company receives a monthly marketing services fee from CCLP, which represents the entire portion of its revenue. For the year ended December 31, 2016, the Company earned \$240,000 related to the marketing service fees from CCLP.

CAMPBELL FINANCIAL SERVICES, LLC
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED DECEMBER 31, 2016

Note 2. RELATED PARTY TRANSACTIONS (continued)

The Company has entered into a Services and Operations Agreement with CCLP pursuant to which Affiliate Services (as defined in the Services and Operations Agreement), such as management, administration, office space and other services, will be provided by CCLP to the Company and the Company will be charged by CCLP the reasonable value of the services rendered. Charges for such Affiliate Services are reflected in the applicable expense caption in the Company's statement of operations. The Company is responsible for certain direct expenses such as annual audit, legal and regulatory fees.

The marketing service fees received from CCLP and the expenses paid to CCLP related to the Services and Operations Agreement would not necessarily be the same if these arrangements were conducted with an unrelated party.

Note 3. INDEMNIFICATIONS

In the normal course of business, the Company enters into contracts and agreements that contain a variety of representations and warranties and which provide general indemnifications. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. The Company expects the risk of any future obligation under these indemnifications to be remote.

Note 4. DEPOSITS

The Company has cash on deposit with a financial institution. In the event of a financial institution's insolvency, recovery of cash on deposit may be limited to the amount of available federal deposit insurance.

Note 5. NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain minimum net capital and is required to maintain a ratio of aggregate indebtedness to net capital (both as defined under such provisions), not to exceed 15 to 1. At December 31, 2016, the Company had net capital of \$161,205, which was \$156,205 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 0.066 to 1.

Note 6. DISTRIBUTIONS

The Company's Board of Directors authorized and paid a distribution to CCLP in December 2016, totaling \$500,000. This distribution was authorized with the provision that sufficient cash be present to result in net capital in excess of CFS' minimum net capital requirements.

To the Board of Directors
of Campbell Financial Services, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Campbell Financial Services, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Campbell Financial Services, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(i) (the "exemption provisions") and (2) Campbell Financial Services, LLC stated that Campbell Financial Services, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Campbell Financial Services, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Campbell Financial Services, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
